|           | Group calls Minutes                                | Unlimited                                                                    |
|           | Bundled Cellular Minutes (on-net & off-net)        | SR.50*                                                                       |

\*The on-net rate after consuming SAR 50 will be SAR 0.25 & the off- net rate will be SAR 0.30

## المرفق رقم (٢)

Note 1: Monthly Fees includes Dispatch and Cellular both

Note 2: Charging is per second basis for Dispatch private or Group Calls with 6 seconds additional time channel reservation for call termination.

Note 3: All monthly rate plans will get discounts on handset with one year commitment dependent on number of lines.

Note 4: For International push-to-talk facility (Limited access) a monthly fee of 10 SR per month is added to any of the plans (1 to 4), and the price per minute for the International PTT is 60% of the Existing Approved **cellular** International Retail Peak rate per minute.

Note 5: The international Push to Talk is an optional feature that is only added based on the subscriber request

Note 6: Allows the customer to upgrade to any rate plan for free

Note 7: STC Cellular minute international rate will be applied for all plans

Note 8: Bravo 300 is only for 45 days

### 20.7.2 Cellular Service:

Cellular is a 100% digital service that allows you to use your iDEN handset to dial, just as you would with any wireless/GSM telephone, to any local or international destination worldwide with the quality and service of one of the most advanced digital networks in the world. iDEN is using Nortel technology to implement this. It has most of the same features as well i.e. Call Waiting, Call Hold, Three Party Calling, Call Forwarding and Calling Line ID.

#### 1. Recharge cards:

The denominations of the available recharge cards for the prepaid service are SR 25 and SR 50

#### 2. All Plans (1 to 4):

|                       |          |
|-----------------------|----------|
| IDEN to IDEN call     | SR. 0.25 |
| IDEN to Other network | SR. 0.30 |
